

Music Festival and Summer Academy for wind players, singers, conductors and audience

INFORMATION

Target group:

- Players and singers, who are interested of new experience playing together with different players, soloists and conductors, communicating other musicians, connection and cooperation between amateurs and professionals.
- Conductors, who are interested to see, how other conductors work, getting new ideas from mentors, passive (auditing others conducting, analyzing scores and rehearsal videos, representation of new materials) and active (passive + conducting the piece) participation, special workshops with different themes.
- Young composers, who can offer their pieces (from organizers time limit, technical level, organizers can choose one to play with festival orchestra, little award for winner, one new piece every year), possible arrangements from students
- Audience, who can enjoy good music.

Conductors and teachers:

- Bert Langelier (Netherlands, repertoire)
- Endel Nõgene (Estonia, stylistics and interpretations)
- Kaido Otsing (Estonia, arrangements)
- Valdo Rüütelmaa (Estonia, wind band)
- Karmen Puis (Estonia, singing)
- Taimo Toomast (Estonia, singing)

Repertoire:

- classical
- opera
- light music (a la "estraadiraadio")

Scores and parts will be available in beginning of May 2009

List of workshops:

Conductors:

- Special workshop, what's happening if some important instrument is missing, but concert must be done. There is no problems, only solutions. There are only right answers. (Bert Langelier)
- Score for organization (Toomas Peterson).
- Arrangements for different groups (Kaido Otsing)

Players, singers:

- ensembles
- free time activities
